

**REMARKS**

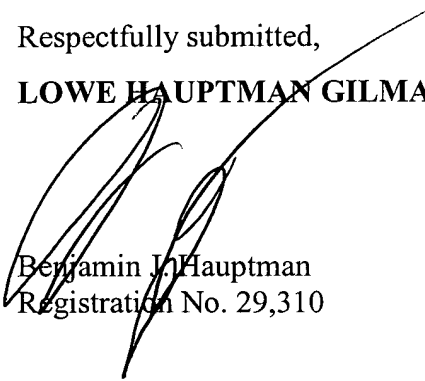

The specification and drawings have been revised to better describe the invention. The claims have been amended to provide Applicants with the scope of protection to which they are believed entitled.

No new matter has been introduced through the foregoing amendments. For example, new FIG. 1B and the corresponding text in the Substitute Specification include only the knowledge known in the art, and therefore do not introduce new matter into the disclosure of the invention.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
